New business:

1. October 4th / November 2nd recap:

Everyone thinks it was a huge success. The 2 pens definitely helped with the outcome of these events and would love to see it next year. Also the display screen will be very useful next season.

2. Awards Banquet date and details:

Jake motioned to have the Awards Banquet on February 28th and Lisa seconded.

Jake motioned for the budget for awards be set at \$10,000 and Brian seconded.

Taran needs to get with Shannon and get a check out to Todd Jey.

3. Double Pens for next season:

Chisum needs to get with Mike over at Livestock and talk about pen sizes with drawings for next season. The majority vote is to keep going with the double pens.

4. New sponsor form:

This will be discussed at the next meeting. We have decided to have a December meeting specifically for this form.

General Discussion:

Taran is to send out the agenda and previous minutes on Monday the week of the meeting. Just for everyone to be on the same page about the discussions. We are also looking to fill a spot on our BOD. Please send any nominees to the HDTPA email. Our January meeting will be about budgets cattle prices, and pay.

Round Robin:

Jake: Wants to discuss pay for admin and prices at the January meeting.

Deanna: Really enjoye the 2 pens and being able to get home earlier in the evening.

Therese: Also enjoyed the 2 pens. Asked about Winnemucca Ranch being a possibility for events next year. Chisum said that the earliest /we could possibly go out would be June. They have a lot to finish till they are ready. Also that they might be talking about having cattle on the ranch so the potential extra fees or not wanting to travel on that road is out of the question but nothing is set in stone.

Madaline: Recap questions, also suggested the preview on Monday before the meeting. Making sure we bring up old topics that seem to get lost.
