

High Desert Team Penning Association
2026 Sponsorship Form
Reno, Nevada

Dear Prospective Sponsor,

High Desert Team Penning Association (HDTPA) is based out of Reno, Nevada, established in 1987 as a family-oriented organization that is home to over 100 members. Each month, we host local equine competitions that draw more than 200 teams, along with a strong turnout of spectators and supporters.

Team sorting has seen remarkable growth over the past two decades, captivating horse enthusiasts of all ages and backgrounds across the country. Combining competition with the traditions of the western way of life. Team sorting fosters community, teamwork and family participation—values we all proudly support.

As our organization continues to grow, there are rising cattle costs, arena rentals and event operations that have presented new challenges. Your sponsorship would make a direct and meaningful impact—helping us maintain affordability for family-friendly events.

Your partnership not only supports our riders and their horses, but also connects your business with a passionate and tight-knit Northern Nevada community.

We would be honored to have your support and look forward to the opportunity to partner with you in the upcoming season.

With sincere appreciation,
Chisum Wagner – President
Elyas Boan – Vice President
High Desert Team Penning Association
